

POWEROIL GEAR HP 90 & HP 140 AUTOMOTIVE HYPOID GEAR OILS

POWEROIL GEAR HP oils are extreme pressure multipurpose gear oils formulated from highly refined high viscosity index base stocks and selected additives.

PERFORMANCE STANDARDS:

BIS: 1118 – 1992(reaffirmed 2016), EP type, GL-4

API Service Classification

U.S. Military MIL-L-2105

UK Defence CS 3000A Specifications

CHARACTERISTICS	POWEROIL GEAR HP	
	90	140
SAE No	90	140
Kinematic Viscosity @ 100°C, cSt	16.5	29.5
Viscosity index, min	95	90
Flash point, COC, °C, min.	180	190
Pour Point, °C., Max.	-9	-3

The above properties are typical values and do not constitute specification of the product

APPLICATION:

- Recommended for use in gearboxes and rear axles where extreme pressure properties are required.
- Not recommended for industrial gears having copper or copper alloy parts.

PERFORMANCE BENEFITS:

- Multipurpose Lubricant
- Excellent Extreme pressure properties thereby leading to long gear life.
- Outstanding anti-rust characteristics leading to rust and corrosion prevention.
- Excellent anti-foam properties.
